

Traditional Photo List

Below is a list of the many traditional wedding pictures. We will certainly take many other shots as they present themselves, but this list should give you an idea of the formals that are possible and that we will be looking for. Please consider any special family arrangements to avoid any last minute and hasty decisions on the day of the wedding, particularly with divorced parents or other awkward relationships. It is not really necessary to return this list with the ones you *want* checked off, rather, indicate any shots that you do **not** want or will **not** apply to your wedding. Likewise, list any other special photos that you will want me to take that are not listed below. Please feel free to call me if you have any questions.
